Dear Harry:

STAT

Thank you for your letter of 1 April suggesting [redacted] as a possible suitable employee for CIA. We will contact him separately and explore current possibilities.

I am sorry that Catherine had to have an operation, but pleased that everything apparently went well and that she is now on the road to recovery. Jane and I will be glad to see you both when Catherine can get around again.

I do appreciate your keeping CIA in mind when individuals who appear to have appropriate qualifications come to your attention.

Sincerely,

SIGNED
